“What does tuition and registration cover at LCS?”

*** Christian teachers & staff who are caring, competent, and committed** – Salary costs account for about 75% of our annual budget. Our teachers are not only state credentialed, but certified by ACSI as well. They are dedicated to continuing their own education to be the very best they can for your children. We have very little staff turn-over at LCS, and we are committed to paying our staff as generously as possible. Even so, they make an average of \$20,000 less annually than our public school counterparts.

*** An enhanced curriculum with outstanding co-curricular programs** – All books and many other school supplies are a part of tuition rather than an extra cost. Yearbooks, standardized testing materials, and other classroom costs are included. When so many schools are cutting “extras”, we are building our elective program, taught by specialists, K-8. Athletics, classroom music, art classes, computer, band, MS drama, video, Spanish and woodworking classes, among many other middle school electives enhance learning and develop creativity in students’ lives.

*** Facilities that support and enhance our vision** – As a ministry of 1BL, we do not pay rent, but we do pitch in for utility bills, custodial costs, and classroom maintenance. Our tuition helps with playground upkeep, equipment management, and technology development – all a part of making and keeping LCS a quality place for learning.

*** Overall, tuition covers a school and ministry that partner with families to provide a safe place where students can grow and learn to stand firm in their faith in Jesus Christ and be productive, responsible citizens at home, at church and in our community. For many, that is priceless.**
