

## ADMISSIONS POLICIES

Lakewood Christian Schools admit students of any race, color, national or ethnic origin.

All students are tested prior to admission; this testing is done for placement purposes.

Other admission requirements include but are not limited to:

- A complete application is submitted, including the past two years report cards and standardized testing scores\*
- An entrance exam is completed showing an at grade level performance or higher
- A positive referral is received from the most recent teacher (middle school only)
- An interview with the school principal upon completion of the entrance test
- Completion of online enrollment through Gradelink
- Payment of all fees including tuition, registration, and testing
- Supplying immunization and physical records  
(Complying with all federal, state, local, and school health requirements)

In making an admission decision, Lakewood Christian Schools considers not only a candidate's referral, grades, standardized test scores, and entrance exam level, but also his or her:

- Desire to learn about our Savior, Jesus Christ
- Behavior as shown on report cards
- Potential to succeed at Lakewood Christian Schools
- Commitment to this program

An admission decision will be made after all of the above is complete and an appointment will be made to go over all the results. Once accepted, an appointment will be made with the school business office to set up an account through Gradelink.

New students in grades one through eight will be considered to be temporary students for the first complete quarter following admission. This will allow both the school and the parents of the student(s) time to evaluate this new, very important relationship. In the absence of a discussion and decisions to the contrary, the temporary student status will automatically be lifted at the beginning of the second quarter of attendance at Lakewood Christian Schools.

Admission and enrollment of students at Lakewood Christian Schools is a privilege, not a right. Parents must understand that continued enrollment and re-enrollment of their children is dependent on their support of the school, its policies, and its staff.

We are a Christian School. Everything we say and everything we do is for Jesus. We are an evangelical school. That means we will accept students into our program who are still learning about our Savior, Jesus Christ. We expect that all students (and their families) regardless of their personal beliefs, respect our statement of faith and the beliefs of this school and church while attending LCS. Specifically, we expect conduct to be exemplary and that our students not participate in behavior contrary to the Bible's teachings including, but not limited to, the use of illegal substances, sex out side of legal marriage, bisexuality, homosexuality, gang membership, or the public support of these or other behaviors not clearly affirmed by Scripture.

*\*Due to the fact that Lakewood Christian Schools has a challenging program, and no academic support system at this time, students who do poorly on the entrance exam, and/or have low report card (D or F grades) or low standardized testing scores cannot be accepted. We believe that it would be wrong to accept a child whom we know would be set up to fail.*
