Dear \_\_\_\_\_,

I am entering a **Jog-A-Thon** fundraising event for my school, Lakewood Christian Schools, on \_\_\_\_\_. Each student, based on their grade, will have a set amount of time to run, jog or walk as many laps as they can. We are running to help raise money so we can have **FLEXIBLE CLASSROOM SEATING!!**

Would you be willing to sponsor me this year? You can donate a flat donation or you can sponsor me per lap. All monies are due by \_\_\_\_\_.

You can donate online at our secure site, <https://www.mightycause.com/team/Lcs2019jogathon> I have included the online donation instructions with this letter. Please let me know if you choose to donate online so I can write it down on my sponsor envelope. We get prizes daily for each sponsor we bring in! If you choose to write a check make sure to put my name and my teacher's name, \_\_\_\_\_, in the memo.

There are a lot of fun prizes! If I raise \$150 I win a School Ditch Day!!! I have a chance at some even bigger prizes if I raise more! I would appreciate your help in getting me to this goal.

Thank you for your support,

\_\_\_\_\_
