Mission and Purpose

The purpose of Lakewood Christian Schools is the same as Arbor Road Church; To know God and make Him known. The Mission of Lakewood Christian Schools is to assist parents in the maturing of their children by providing a Christ-centered education. Emphasizing academic excellence that prepares students to stand firm in their faith in Jesus Christ and be productive, responsible citizens at home, at church and in our community. The Preschool, Elementary, Middle School and Academy will work together to provide a distinct experience for each developmental stage while remaining cohesive to serve families with children from two years nine months old to 12th grade. With this in mind, LCAC provides highly qualified teachers to challenge and inspire students to cultivate their gifts for God's glory.

Parent Volunteers

Every parent is a valuable part of the LCAC! Our program thrives when its members use their unique gifts together.

Check in Team:

Helping to welcome students on-campus and supervising their dismissal supports the safety of our school community. This rotation would be an excellent position for parents

Class Team:

Parents will take turns supporting one class team throughout the school year. Some of the responsibilities include: walking to/from staff-led classes, partnering with LCS staff to supervise students, and more

Celebrations Team

Significant milestones were so wonderful to celebrate as a student. Let's make beautiful memories with graduations for our students and their families. Students promoting to new grades will be honored and we'll have a special graduation for our Kindergarten and 5th grade graduates. Other celebrations can also be built into this team.
